Updates from the IBB

**School-Barometer / WELS ONLINE / 3 new publications
on governance, leadership & management / new issue
of EAEA**

We hope you are all doing well in dealing with the private and professional challenges in these turbulent times - we wish you a lot of strength and patience and, if possible, some time to rest!

Check out:

COVID-19 and schooling: [evaluation, assessment and accountability in times of crises. Educational Assessment, Evaluation and Accountability 32\(2\)](#)

Various information in brief:

1. School-Barometer: COVID-19 and current challenges in schools and education

The IBB School-Barometer aims at monitoring the current situation of schools and schooling.

TOC: [Assessment and evaluation with clarifying purposes for policy and practice](#)

Editorial: [Assessment and evaluation with clarifying purposes for policy and practice](#)

Sign up for alerts: www.springer.com/gp/stay-informed-with-springer-alerts/54290

The main objective of this international journal is to advance knowledge and dissemination of research on and about assessment, evaluation and accountability of all kinds and on various levels as well as in all fields of education. The journal provides readers with an understanding of the rich contextual nature of evaluation, assessment and accountability in education. The journal is theory-oriented and methodology-based and seeks to connect research, policy making and practice. The journal publishes outstanding empirical works, peer-reviewed by eminent scholars around the world.
