Merry holidays

We wish you merry holidays, a happy new year and all the best for 2019.

The team from the IBB

For the last 12 years the Symposium has been the largest international congress in Europe on education leadership. 800 experts working in different fields of practice and research from around 50 countries worldwide discuss challenges and solutions for education and schools for tomorrow. In 2017, 1100 experts from 76 countries around the world discussed what tomorrow's schools should be like in 100 speeches, paper presentations, and workshops with around 200 speakers. The conference languages are English, French and German; simultaneous translation is provided for the entire plenary program. The parallel program is either in English or German. There will be sessions in French and Spanish, too.
